

REGENERATOR®

Quiet Strength · Pure Regeneration

Regenerator® is an exclusive formula created with the specific needs of people aged 60+ in mind. As we age, circulation, mental freshness, vitality, and overall balance require greater care. Regenerator® is designed for calm, long-term daily support without aggressive stimulants.

Active ingredients – overview and purpose

Ginkgo biloba

Supports mental freshness, memory, and normal brain function.

Diosmin + Hesperidin

Flavonoids traditionally used for vascular comfort and a feeling of lightness.

Nattokinase

An enzyme obtained through fermentation, valued for long-term vitality support.

Sweet clover (Melilotus officinalis)

A herb traditionally used to support overall balance and comfort.

Butcher's broom (Ruscus aculeatus)

A plant extract commonly used for vascular well-being.

Grape seed extract

A natural source of polyphenols that help protect cells from oxidative stress.

Rutin

A flavonoid traditionally associated with care for blood vessels and elasticity.

Vitamin C

Contributes to normal immune system function and collagen formation.

Vitamin B1 (Thiamine)

Supports normal nervous system and psychological function.

L-theanine

An amino acid that supports calm focus without drowsiness.

Bacopa monnieri

A traditional herb used in formulations supporting memory and concentration.

Cognizin® (Citicoline)

A modern ingredient used in products supporting cognitive functions.

Rhodiola rosea

An adaptogenic plant valued during periods of mental stress and fatigue.

Manufactured in an FDA-registered facility in accordance with cGMP standards.

Each batch is laboratory tested with an emphasis on quality, purity, and transparency.
